## We make dressings.

We have been in the dressing business since 2008. Akari taste GmbH produces a wide assortment of dressings, from our house brands **KABUKI** and **huusgmacht** to numerous private-label dressings for customers in bags, cups, bottles and bag-in-box packaging.

### Our Services

You'd like to create your own dressing? We're here to help. We offer a complete service package for all your salad dressing needs, from recipe development and production to packaging and warehousing.

### Our House Brands

- **KABUKI Dressings.** Our Japanese dressing line – refined and diverse.

all about dressings

## All your dressing needs.

Making dressings is our passion and our core strength! All of our products are made from A to Z in Switzerland, Kloten (ZH). Instead of flavour enhancers and artificial additives, we use our passion and attention to detail.

As an owner-operated company, we guarantee a high level of flexibility and personalised service. We are FSSC 22000 certified and work with many food manufacturers, retailers and restaurants.

### Our services:

- All about dressings: consulting, recipe development and production
- Contract filling: bag and cup portions (20-80 ml), bottles and bag-in-box packaging

We look forward to hearing from you!
